Please detail any medication you'd like us administer and the application cycle for each. If no medication is sent for ticks, we will apply Advantix as necessary and bill accordingly. We can administer Ivermectin for no charge.

Client authorizes Northwoods Bird Dogs to seek appropriate veterinary medical treatment or attention on behalf of the dog as may be reasonably required by the circumstances, including but not limited to examination, preventative and/or curative treatment, x-ray, laboratory examination, anesthetic, veterinary medication diagnosis, and consultations. Client agrees to reimburse Northwoods Bird Dogs for veterinary services.

A nonrefundable deposit of \$250 is required to reserve your training spot. Payment should be made by check or cash. Please mail this form along with the deposit to the appropriate address below. The balance is due at the end of training period when the client picks up the dog.

Thank you! We look forward to training your dog!
